INDEPENDENT AUDITORS' REPORT

Board of Directors
The Food Depot

Report on the Financial Statements

We have audited the accompanying financial statements of The Food Depot (a non-profit organization), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to The Food Depot's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Food Depot's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to present fairly, in all material respects, the financial position of The Food Depot as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 10, 2021, on our consideration of The Food Depot's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Food Depot's internal control over financial reporting and compliance.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES

The Food Depot is a New Mexico non-profit corporation established in 1993. The Food Depot distributes food in Northern New Mexico through a network of partner agencies, including emergency food pantries, youth programs, senior centers, hot meal programs, homeless shelters, group homes, shelters for battered families, low-income day care centers and rehabilitation programs. Food donated to The Food Depot comes from a variety of sources including national and local manufacturers, supermarkets, large food distributors, growers, food brokers, food drives, and the State of New Mexico Human Services Department (NMHSD). Food is also purchased by The Food Depot. The food received from the NMHSD is pass-through food from the U.S. Department of Agriculture (USDA) for The Emergency Food Assistance Program (TEFAP). The Food Depot's main sources of revenue and support are donated food, food from the NMHSD, contributions, contracts, grants and food acquisition and handling fees, which are fees paid by participating agencies for the handling of food by The Food Depot.

The Food Depot operates a range of programs designed to meet critical demographic, geographic, and nutritional needs in a nine-county service area in Northern New Mexico. The programs of The Food Depot are:

Food Rescue and Distribution – This core program consists of rescuing surplus food that would otherwise go to waste and distributing that food to approximately 81 partner agencies that feed people in need.

Healthy Eating – This program develops resources to encourage healthy food choices and preparation techniques among its partner agencies and clients.

Food 4 Kids – The Food 4 Kids program encompasses all of The Food Depot's child programs, including several approaches to reach more children, across all age groups, more frequently with a greater variety of healthy food choices and offering the provision of food to the entire family. The Food Depot supports school-based pantries and began a pilot program to offer school area mobile food pantries to provide needed food to families. Partnering with five Boys & Girls Clubs, The Food Depot provided after school meals throughout the school year. During the summer months, The Food Depot sponsored free lunch for children at three city camps, five Boys & Girls clubs and five mobile home communities. In addition to summer lunches, The Food Depot distributed protein packs to children at the various mobile home community summer food sites, which saved parents money in providing healthy snacks.

Diaper Depot/Infant Supply Initiative – The Food Depot operates an Infant Supply Initiative to provide the vital supplies needed by our community's children. Families with infants often seek items other than the customary food supplies at the food bank – they need formula, hygiene products, baby food, and diapers. The Diaper Depot operates in tandem with the Infant Supply Initiative; the Diaper Depot is the education and outreach portion of the Initiative, which provides the material goods that are necessary to the program's operation. The Diaper Depot exists to raise awareness about diaper need.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES – CONTINUED

Disaster Relief – The Food Depot provides foods and other needed items to disaster victims and relief workers.

Delivery Program – By providing free deliveries to partner agencies in counties such as Colfax, Los Alamos, Mora, Rio Arriba, San Miguel, Taos, and Union, The Food Depot eliminates the need for these agencies to travel to Santa Fe for their food supply. With the cost of fuel and labor, the delivery program makes an even greater impact on resources for partner agencies in the food bank’s hunger-relief network.

Mobile Food Pantry Program – To reach hungry people in small and remote areas, The Food Depot launched its Mobile Food Pantry program in 2009. The Mobile Food Pantry operates like a bookmobile – food is distributed by The Food Depot directly from its truck with no need for long-term storage. This service reaches communities that do not have the resources to set up their own food pantries.

Food 4 Pets – Low-income Northern New Mexicans are faced with difficult decisions every day – the choice between food and rent, food and medical care. For many, there is another very real challenge – food for their pets – because pets are part of the family too. The Food Depot looks at the full picture of the economic circumstances affecting struggling families in Northern New Mexico. The Food 4 Pets program supports families and their pets in the most rural areas of The Food Depot’s nine county service area. Communities currently served include Bernal, Ojo Caliente, Vallecitos, El Rito, Santa Cruz, Truchas, and Pecos.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents

The Food Depot considers all without donor restrictions highly-liquid investments with an initial maturity of three months or less to be cash equivalents. The Food Depot maintains a portion of its cash, cash equivalent balances, and certificates-of-deposit in various financial institutions. These balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, these balances may exceed insured limits. The Food Depot has not experienced any losses in these accounts and believes it is not exposed to any significant credit risk related to uninsured cash balances.

Receivables

Receivables are stated at the amount of the unpaid balances less an estimate made for doubtful receivables. Management determines the allowance for doubtful accounts by identifying past-due account and by using historical experience applied to an aging of accounts receivable. No allowance for doubtful accounts was determined necessary by management as of June 30, 2021 and 2020. The Food Depot charges off uncollectible accounts receivable when it is determined the receivable will not be collected.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Inventory

Inventories consist of donated food, purchased food, food received from the USDA, and retail items. Inventories are valued at the lower of cost or market, with cost for purchased food determined using the fair value on the date of donation. For the years ended June 30, 2021 and 2020, donated inventories, including food received from the USDA, were valued at \$1.79 and \$1.74 per pound, respectively, which is the fair value provided by Feeding America. Feeding America is a large hunger relief non-profit organization who is working to end hunger through a nationwide network of member food banks. Feeding America engages an outside independent Certified Public Accounting firm to conduct an agreed-upon procedures engagement in order to determine the estimated fair value per pound referenced above. This value is the approximate average wholesale value of one pound of donated product at the national level.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are measured at fair value in the statements of financial position. Assets held by a community foundation are measured at the fair value of the underlying assets as reported by the foundation holding the funds. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statements of activities as increases or decreases in without donor restrictions net assets unless the income or loss is restricted by donor or law.

Property and Equipment

Property and equipment are stated at cost. Property and equipment that are received by donation are recorded at the estimated fair value on the date of donation. Such donations are reported as without donor restrictions support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, The Food Depot reports the expiration of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Food Depot reclassifies with donor restrictions net assets to without donor restrictions net assets at that time. Purchased or donated property and equipment in excess of \$1,000 is capitalized. Depreciation is calculated on a straight-line basis in amounts sufficient to relate the costs of depreciable assets to operations over their estimated useful lives, which range from five to forty years.

Net Assets

The Food Depot classifies net assets and revenues, expenses, gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of The Food Depot and the changes therein are classified and reported as follows:

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Net Assets – Continued

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of The Food Depot. These net assets may be used at the discretion of The Food Depot's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of The Food Depot or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Contributions and Promises to Give

Contributions and unconditional promises to give are recognized as revenues in the period received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Grants

Support from grants and contracts is recognized when earned or when expenditures have been incurred in accordance with provisions of the grants and contracts. Monies received but not earned during the fiscal year are recorded as deferred revenue. Service revenue is recognized when the service is performed.

Donated Services, Land Use, Storage, Equipment, and Materials

The Food Depot recognizes contributed services if the services create or enhance non-financial assets or require specialized skills provided by individuals possessing those skills and would need to be purchased if not provided by donation. Recognized contributed services, land use, storage, equipment, and materials are recorded at the fair value on the date of donation. In addition to donated food, The Food Depot recognized donated services, land use, storage, equipment, and materials totaling \$75,652 and \$90,605 in 2021 and 2020, respectively.

Advertising

The Food Depot expenses advertising costs as they are incurred. Advertising expenses, including in-kind and special events expenses, were \$12,985 and \$67,706 in 2021 and 2020, respectively.

Functional Allocation of Expenses

Expenses are charged directly to program and supporting services based on specific identification. Costs benefiting more than one service are allocated based on measures such as management's estimates of time spent, square footage, etc.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status

The Food Depot is a nonprofit charitable corporation and has been recognized as tax-exempt under Section 501(c)(3) of the Internal Revenue Code. The Food Depot has adopted accounting principles generally accepted in the United States of America, as they relate to uncertain tax positions, and has evaluated its tax positions taken for open tax years. Management believes that the activities of The Food Depot are within their tax-exempt purpose, and that there are no uncertain tax positions that require disclosure or recognition in the financial statements.

Fair Value Measurements

Accounting Standards Codification Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets for identical investments that The Food Depot has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the investment, either directly or indirectly. These inputs may include quoted prices for the identical instrument in an inactive market, inputs other than observable quoted prices, or inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Financial Instruments

The carrying amounts of cash, receivables, payables, debt, and other obligations approximate fair value due to the short-term nature of these instruments.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with the current year presentation.

Subsequent Events

The Food Depot has evaluated all events occurring subsequent to June 30, 2021 through November 10, 2021, which is the date that the financial statements were issued and believes that all events occurring during this period that require either recognition or disclosure in the accompanying financial statements have been properly disclosed and recognized as applicable.

Board designated endowment funds	<u>(10,250)</u>	<u>(10,250)</u>
	<u>(877,649)</u>	<u>(974,949)</u>
Financial assets available to meet cash needs for general expenditure within one year from June 30, 2021 and 2020	<u>\$ 7,039,575</u>	<u>\$ 3,871,193</u>

The Food Depot manages its cash flow and liquidity on an on-going basis to ensure that sufficient funds are available to cover current operational needs. The Food Depot's goal is generally to maintain a level of financial assets sufficient to cover 120 days of average operating expenses. These amounts are designated by the Board each year, based on the approved operating budget. As part of its liquidity plan, The Food Depot is continuously evaluating the amount of cash on hand and expected to be collected within 30 days, against current financial obligations.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 4 – PROPERTY, EQUIPMENT AND FURNITURE

Property, equipment and furniture consist of the following as of June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Food distribution and education center	\$ 5,628,974	\$ 5,610,879
Vehicles	528,896	263,483
Warehouse equipment	405,724	296,828
Office equipment	<u>99,157</u>	<u>99,749</u>
Total property equipment and furniture	6,662,751	6,270,939
Less accumulated depreciation	<u>(1,747,975)</u>	<u>(1,445,269)</u>
Net property, equipment and furniture	<u>\$ 4,914,776</u>	<u>\$ 4,825,670</u>

Depreciation expense for the years ended June 30, 2021 and 2020 was \$304,989 and \$248,490, respectively.

NOTE 5 – LINE-OF-CREDIT

The Food Depot has a bank line-of-credit with a limit of \$100,000; borrowings are subject to a borrowing base formula. Interest accrues based on an interest rate of 4.5% as of June 30, 2021 and 2020, respectively. The line matures in May 2023 and had an outstanding balance of zero at June 30, 2021 and 2020.

NOTE 6 – KIDS KITCHEN

Kids Kitchen, a 501(c)(3) organization that is a joint venture between The Food Depot and Growing Up New Mexico (formerly United Way of Santa Fe County), provides meals to youth through various programs, provides meals on a paid basis to other youth-oriented programs and provides job training. The Food Depot provides the use of delivery equipment and delivery personnel to Kids Kitchen, contracts its meal preparation services to Kids Kitchen, and provides certain administrative services to Kids Kitchen. The Food Depot has a revolving note receivable agreement with Kids Kitchen, which allows borrowing of up to \$150,000 at an annual rate of 3.00%.

In 2021 and 2020, The Food Depot recognized \$26,775 and \$25,860 of revenue and \$115,152 and \$93,158 of cost from operational transactions with Kids Kitchen. As of June 30, 2021 and 2020, total amounts receivable from Kids Kitchen for both operational and financing activity was \$180,787 and \$65,271 and accounts payable to Kids Kitchen was \$18,627 and \$3,200, respectively. These balances are included in accounts and other receivables and accounts payable and accrued expenses in the accompanying statements of financial position.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 7 – NET ASSETS WITH DONOR RESTRICTIONS

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 8 – ENDOWMENT

The assets of the endowment consist of funds held at the Santa Fe Community Foundation (SFCF) and consist of both donor-restricted contributions and board-designated assets. These assets are to be used for the benefit of The Food Depot and SFCF was not granted variance power to redirect the use of the assets to another beneficiary. Net assets associated with the endowment are classified and reported based on the existence or absence of donor-imposed restrictions. Income earned on the endowment assets is available for use in The Food Depot's programs and operations.

The Food Depot has an endowment spending policy in which The Food Depot has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds absent donor stipulations to the contrary. As a result of this interpretation, The Food Depot classifies net assets with donor restrictions, (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor are classified as accumulated investment gains subject to spending policy and appropriation until those amounts are appropriated for expenditure by management of The Food Depot in a manner consistent with the standards of prudence prescribed by the UPMIFA.

The primary objective of the endowment fund is to produce a rate of return which will permit maximum support for operations of The Food Depot to the extent it is consistent with prudent management of investments, preservation of principal, and potential for long-term growth of the assets. The spending policy of The Food Depot's endowment provided that up to 5% of the endowment income, subject to a twelve-quarter rolling average and federal and state laws, can be withdrawn from the endowment for operations.

The board has designated amounts for the endowment. This amount as of June 30, 2021 and 2020 is \$10,250, respectively, and is included in net assets without donor restriction.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 8 – ENDOWMENT – CONTINUED

As of June 30, 2021 and 2020, The Food Depot had the following endowment net asset composition by type of fund:

	June 30, 2021		
	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ -	\$ 610,642	\$ 610,642
Accumulated investment gains subject to spending policy and appropriation	-	196,947	196,947
Board designated endowment	10,250	-	10,250
	\$ 10,250	\$ 807,589	\$ 817,839
	June 30, 2020		
	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds			
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor	\$ -	\$ 610,642	\$ 610,642
Accumulated investment gains subject to spending policy and appropriation	-	79,531	79,531
Board designated endowment	10,250	-	10,250
	\$ 10,250	\$ 690,173	\$ 700,423

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 8 – ENDOWMENT – CONTINUED

The changes in endowment net assets and the endowment’s net asset composition are as follows for the years ended June 30, 2021 and 2020:

	Without Donor Restrictions Net Assets	With Donor Restrictions Net Assets	Total
June 30, 2019	\$ 10,250	\$ 699,116	\$ 709,366
Net appreciation	-	31,411	31,411
Distributions	-	(40,354)	(40,354)
June 30, 2020	10,250	690,173	700,423
Net appreciation	-	147,844	147,844
Distributions	-	(30,428)	(30,428)
June 30, 2021	<u>\$ 10,250</u>	<u>\$ 807,589</u>	<u>\$ 817,839</u>

NOTE 9 – LEASES

Land Lease

Effective August 1, 2016, The Food Depot entered into a lease for a parcel of land with the City of Santa Fe. The lease term consists of an initial twenty-year term with two optional ten-year terms. The annual rent, determined by appraisal, is \$31,060, to be adjusted every five years, and is considered paid by providing services to the City of Santa Fe. Services include collecting food and related products and distributing collections to feed those experiencing hunger. The Food Depot is required to submit an Annual Service Value Statement to the City of Santa Fe to document monetary value of services provided during prior lease year in relation to annual rent obligation. The Food Depot expects to annually provide services in an amount in excess of the annual rent due, and therefore, does not expect to pay any cash consideration for this lease of land.

Operating Leases

The Food Depot leases office equipment and vehicles under long-term operating agreements. The leases expire in various years through fiscal year 2026. Monthly lease payments range from \$174 to \$1,987.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 9 – LEASES – CONTINUED

Future minimum lease payments related to the operating leases are as follows:

2022	\$	94,071
2023		94,071
2024		80,528
2025		34,726
2026		<u>2,436</u>
	<u>\$</u>	<u>305,832</u>

NOTE 10 – FAIR VALUE MEASUREMENTS

Fair Value Measurement

The following table sets forth by level, within the fair value hierarchy, The Food Depot’s assets at fair value as of June 30, 2021 and 2020:

Assets at Fair Value as of June 30, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Certificates-of-deposit	\$ -	\$ 6,074,424	\$ -	\$ 6,074,424
Interest in assets held by the SFCF	<u>-</u>	<u>-</u>	<u>817,839</u>	<u>817,839</u>
	<u>\$ -</u>	<u>\$ 6,074,424</u>	<u>\$ 817,839</u>	<u>\$ 6,892,263</u>

Assets at Fair Value as of June 30, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Certificates-of-deposit	\$ -	\$ 508,092	\$ -	\$ 508,092
Investments - Mutual funds	2,317,262	-	-	2,317,262
Interest in assets held by the SFCF	<u>-</u>	<u>-</u>	<u>700,423</u>	<u>700,423</u>
	<u>\$ 2,317,262</u>	<u>\$ 508,092</u>	<u>\$ 700,423</u>	<u>\$ 3,525,777</u>

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 10 – FAIR VALUE MEASUREMENTS – CONTINUED

Fair Value Measurement – Continued

Management determines the fair value measurement valuation policies and procedures, including those for Level 3 recurring measurements. At least, annually, management determines if the current valuation techniques used in fair value measurements are still appropriate and evaluates and adjusts unobservable inputs used in the fair value measurements based on current market conditions and third-party information. If applicable, The Food Depot recognizes transfers between levels in the fair value hierarchy at the end of the reporting period.

Level 3 – Investments

The following tables present The Food Depot’s activities for investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the years ended June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Beginning balances	\$ 700,423	\$ 709,366
Investment gains	147,844	31,411
Distributions	<u>(30,428)</u>	<u>(40,354)</u>
Ending balances	<u>\$ 817,839</u>	<u>\$ 700,423</u>

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value.

Certificates-of-deposit: Fair value determined using amortized face value of the financial instrument.

Investments – Mutual Funds: Fair value determined using quoted market prices.

Interest in assets held by the SFCF: Fair value determined using net realizable value as determined in good faith by the investment fund manager at the end of the year.

NOTE 11 – RETIREMENT PLAN

The Food Depot maintains a Simple IRA for eligible employees. The Food Depot matches employee contributions to the retirement account up to 3% of eligible compensation. Retirement plan expense for amounts contributed by The Food Depot was \$37,133 and \$29,886, for the years ended June 30, 2021 and 2020, respectively.

The Food Depot

NOTES TO FINANCIAL STATEMENTS

June 30, 2021 and 2020

NOTE 12 – PAYCHECK PROTECTION PROGRAM (PPP) LOAN

On April 17, 2020, The Food Depot entered into a Loan Agreement and Promissory Note (SBA Loan) pursuant to the Paycheck Protection Program (PPP) under the recently enacted Coronavirus Aid, Relief, and Economic Security Act (CARES Act) administered by the U.S. Small Business Administration. The Food Depot received total loan proceeds of \$312,314. The loan was scheduled to mature on April 1, 2022, carried a 1.00% interest rate, and was subject to the terms and conditions applicable to loans administered by the U.S. Small Business Administration under the CARES Act.

On January 26, 2021, The Food Depot received formal notice of forgiveness by the lender. The Food Depot has elected to account for this transaction as a conditional contribution, pursuant to Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-605, Financial Statements for Not-For-Profit Organizations – Revenue Recognition. Accordingly, The Food Depot asserts that loan forgiveness pursuant to the CARES Act and the PPP constitute the condition placed on the funds to be met and therefore a contribution should be recorded at that time. In 2021, \$312,314 was recognized as a conditional contribution and is included in government awards and contracts in the accompanying statement of activities.

NOTE 13 – COVID-19 PANDEMIC

The Secretary for the New Mexico Department of Health has mandated temporary closing of businesses that were deemed non-essential and requested citizens to adopt certain behavioral changes in response to the worldwide COVID-19 pandemic. At a national and international level, government restrictions on travel and the behavioral changes by the public due to COVID-19 outbreaks across the globe are negatively impacting various industries and the world markets. While the disruption is expected to be temporary, there is considerable uncertainty around the duration and ultimate financial impact of these actions.

NOTE 14 – FUTURE ACCOUNTING PRONOUNCEMENTS

Effective for its annual financial statements for its fiscal year 2023, The Food Depot is subject to new accounting standards issued by FASB that will require significant changes in accounting for operating leases under which The Food Depot is lessee. Upon adoption, among other effects, The Food Depot will be required to record assets and liabilities for all operating lease obligations with terms of 12 months or greater. These changes will entail certain retrospective adjustments. The qualitative effects on The Food Depot's future financial statements of these changes and related retrospective adjustments have not yet been determined.

Total expenditures of federal awards			\$ 5,061,967

The Food Depot

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended June 30, 2021

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of The Food Depot under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of the *Uniform Guidance, Audits of States, Local Governments and Non-Profit Organizations*. Therefore, some amounts presented in the Schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principals contained in the Uniform Guidance where certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 – FOOD

Nonmonetary assistance is reported in the Schedule at the estimated fair value of \$1.79 per pound. At June 30, 2021, The Food Depot has \$726,357 of inventory on-hand from the State of New Mexico Human Services Department.

NOTE 4 – INDIRECT COST RATE

The Food Depot has elected not to use the 10% de minimus indirect cost rate for its federal programs.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL
CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT
AUDITING STANDARDS***

Board of Directors
The Food Depot

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the financial statements of The Food Depot, a nonprofit organization, which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements and have issued our report thereon dated November 10, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Food Depot's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Food Depot's internal control. Accordingly, we do not express an opinion on the effectiveness of The Food Depot's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of The Food Depot's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Food Depot's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Food Depot's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Food Depot's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

PULAKOS CPAs, PC

Pulakos CPAs, PC

November 10, 2021

**INDEPENDENT AUDITOR'S REPORT
ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
The Food Depot

Report on Compliance for Each Major Federal Program

We have audited The Food Depot's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of The Food Depot's major federal programs for the year ended June 30, 2021. The Food Depot's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of The Food Depot's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Food Depot's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of The Food Depot's compliance.

Opinion on Each Major Federal Program

In our opinion, The Food Depot complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of The Food Depot is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered The Food Depot's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Food Depot's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
