We are so excited to share that [your organization name] is hosting a food drive [and/or fund drive] to benefit The Food Depot, Northern New Mexico's Food Bank.

From [start date to end date], simply drop off canned and other non-perishable food items in the donation bins provided at [insert drop off locations].

After the food drive has ended, The Food Depot will transport donations back to their warehouse in Santa Fe. Volunteers will make sure items are sorted and packed before food is sent to children, families, seniors, and other individuals facing hunger.

Wondering what to donate? Some of The Food Depot's most requested items include canned protein, grains (such as rice, flour, and oats) pastas, easy/ready meal kits, and pre-packaged snacks. No glass items, please.

[Optional paragraph for those collecting monetary donations online]: We're also collecting monetary donations! For every \$1.00 donated, The Food Depot can provide up to 4 meals for people in our community. Visit [thefooddepot.org](http://thefooddepot.org) to donate online.

If you have any questions about the food drive, please contact [insert your organization's contact information]. Thank you for sharing our vision for a healthy, hunger-free Northern New Mexico.

With Gratitude,
