

# FOOD 4 KIDS

## HEALTHY FOOD FOR STUDENTS AND THEIR FAMILIES

Schools established in multiple counties

Offering pantry staples and produce

Distributing food in familiar settings

Providing a variety of healthy foods.

School-based pantries offer families consistent access to healthy foods in a familiar and convenient environment. Available foods for delivery include pantry-staples, fresh produce, protein, and dairy items. Site coordinators distribute food according to their community's needs. To receive food from the school pantries, an individual must be employed at the school or a child must attend the school.
